McLaren Park Earth Day Sunday, April 22nd 11 a.m. to 7 p.m.

Commemorate the 80th anniversary of John McLaren Park on Earth Day. Join San Francisco's scientists, youth, teachers, artists, activists and organizations in transforming John McLaren Park into a FREE-for-all-ages outdoor ecological classroom and festival space.

On **McLaren Park Earth Day**, learn about nature in San Francisco, from birds to farmers' markets and from art to biodiesel. Activities include birding hikes, habitat restoration projects, wild-flower walks, an eco-stewardship fair, tree planting, food booths, a live reptile classroom and a native plant nursery.
